- This survey creates a subdivision of land within the area of a county or municipality that has an ordinance that regulates parcels of land.
- This survey is located in a portion of a county or municipality that is unregulated as to an ordinance that regulates parcels of land.
- This survey is of an existing building or other structure, or natural feature, such as a watercourse.
- This survey is a control survey.
- This survey is of another category, such as the recombination of existing parcels, a court-ordered survey or other exception to the definition of a subdivision.
- The information available to the surveyor is such that the surveyor is unable to make a determination to the best of the surveyor's professional ability as to provisions contained in (a) through (d) above.

STATE OF NORTH CAROLINA, WASHINGTON COUNTY
